

CITY OF COFFMAN COVE
RESOLUTION 22 12
A RESOLUTION APPROVING THE AMENDED RATE SCALE FOR THE CITY OF
COFFMAN COVE'S SCRAP METAL SITE

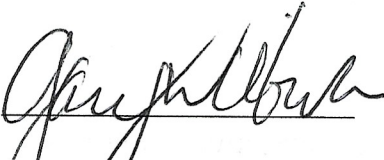

WHEREAS, rates for all City Enterprises shall be reviewed annually in order to ensure adequate revenue to maintain a current and improved service level, and

WHEREAS, Council may set, by Resolution, fees for the use of City services, and

WHEREAS, the City, in order to provide a scrap metal service for the community, realizes the need for a price adjustment to cover cost increases;

NOW THEREFORE BE IT RESOLVED, that the Coffman Cove City Council hereby approves the adjustment to the attached "Scrap Metal Policy" as amended.

ADOPTED by a duly constituted quorum of the City of Coffman Cove, Alaska this 21st day of April, 2022.

Gary Wilburn, Vice Mayor
Gina Cavaretta, Clerk

SCRAP METAL POLICY

Updated: April 2022

The City of Coffman Cove is willing to maintain a scrap metal site at the old city pit, to be open one Saturday per month from 10 am – 2 pm. This site will be manned by a trained, paid staff member. Any appliances and scrap metal must be cleared through the city office. Fees will be charged based on the volume and type of metal being disposed of.

Any illegal dumping will be turned over to the State Troopers. Maintaining a scrap metal pile is a service.

Appliances: Refrigerators, Washers & Dryers, Freezers, Dishwashers, Hot Water Heaters: \$35

Pick-up load of clean scrap metal: \$40

Vehicles (Must have tires removed and no fluids such as gas & oil): \$150

Household Fuel Tank (100 – 300 gallons): \$35

55-gallon Oil Barrels (cleaned out): \$5

Small Engine Equipment: Air compressors, pressure washers, lawn mowers, ATVs, etc. (No extra fee if added in pick-up load): \$5

Heavy Equipment Items: \$200 (same procedure as vehicles)

Items not allowed in Scrap Metal Site: Batteries, oils, coolant, tires, garbage, wood products, plastics, computers, televisions, RVs, trailers, 5th wheels, camper trailers, fiberglass boats.
