

The Coffman Cove Newsletter

FROM CITY HALL

MARCH 2020

Harbor & Dock

- Please do not leave unattended vehicles on docks.
- “No Wake Zone” encompasses the area of the Harbor until the red buoy – this is for the safety and consideration of others. If unsure of Harbor rules, please refer to Title X of City Ordinance.
- Lodge & Charter Owners are encouraged to have available a copy of “*Rules for Use of Harbor Facilities*” for clientele. Hard copies available at City Hall.

911/EMS

- The local number to 911 radios is (907) 329-2013. If you have an internet-based phone, dial “1” beforehand.

City Council Meetings

- Reg. Council Meeting: Thursday, March 19th @ 6:30 pm.
- Workshop: Tuesday, March 3rd @ 6 pm.

Library

- Sewing/knitting class held every Friday from 11 am – 2 pm.
- New Books and DVDs are donated weekly – check one out for your entertainment and enjoy a cup of coffee.

Post Office

- Need a street address on incoming mail? Use: 101 NW Kodiak Ave # [P.O. Box No.] Coffman Cove, AK 99918.

Spring Forward

Don't forget to change your clocks one hour ahead on Sunday, March 8th!

Community Development Block Grant (CDBG)

- We need your input! Ideas will be welcomed in ongoing discussions of this grant at upcoming workshops.
- Please submit project ideas in writing to clerk@ccalaska.com or through *Public Comment* during meetings.

*Garbage Pick-Up Dates
(every other Friday)
March 13th & 27th*

PFD Applications

- Applications available at City Hall & the Post Office. Want to apply online? Head to pfd.alaska.gov for more information on filing.

Dentist Visit

Dr. Witsil of Alicia Roberts Medical Center will offer dental services at the Clinic on:

March 10th: 10 am – 3 pm

March 18th: 10 am – 3 pm

Call 907-755-4918 for scheduling.

Did You Know?

The Malaspina Glacier is North America's largest piedmont glacier, covering an area larger than the state of Rhode Island. It is named after Alessandro Malaspina, a Tuscan explorer who served in the Spanish Navy and visited the region in 1791.

Alaska and Washington are the only two states in the U.S. which get a large percentage of water supplies from glacial sources.
