Courtesy Float & Fish Cleaning Float

The boat launch is for launching and pulling boats only. If you wish to tie up your boat, you may do so on the outside of the float only.

All fish cleaning float boats shall be tied up for unloading and loading only. Moor in your spot while you clean your fish.

Please be aware that your wake causes damage to the dock and to other boats. Be considerate and slow down. Thank you.

All persons are responsible for complying with all Harbor ordinances, rules and provisions and for the vessel or vessel harbored therein.

If I do not comply with the Harbor Ordinances or rules, my privileges may be taken away.

I hereby authorize the Harbormaster to take emergency actions as required for the safe keeping of my vessel or the safety of others.
